

Estimator

WHY YOU WOULD WANT TO WORK FOR THIS AMAZING COMPANY

Willmeng Construction is a commercial construction company who is committed to winning tomorrow's business through the projects we deliver today. We are a local Arizona company who gives back to our community and is also recognized as a Best Place to Work in Arizona and the General Contractor of the Year through NAIOP.

HOW YOU WOULD BE SPENDING YOUR TIME AS A CONSTRUCTION ESTIMATOR

The Construction Estimator will support and work with preconstruction/ business development staff in the review of project plans, requirements and specifications. The Construction Estimator shall perform quantity take-offs, pricing, and bidding of construction projects and have knowledge of construction costs and principles while adhering to Willmeng's quality standards and client satisfaction.

WHY WE WOULD WANT YOU TO JOIN THE TEAM AS A CONSTRUCTION ESTIMATOR

- You work as a team member to do what it takes to meet each and every client deliverable. We have a "Do what it takes" culture.
- You multi-task, prioritize, and "Make It Happen" with multiple bids due per week.
- You are accurate and manage numerous fronts simultaneously.
- You have advanced computer skills with MS Office with proficiency (Word, Excel, Outlook, and Project).
- You have knowledge of AutoCAD, Revit, and other BIM software.
- You have knowledge construction costs and principles.

You have knowledge working with OnScreen Take-off, Excel micros, and other estimating software
