

Assistant Project Engineer/Manager (Job #A-494)

Phoenix

At Rick Engineering Company, our employees are our heart and soul. Nearly 85% of our employees have been with us for more than five years, putting us at the forefront of our industry in retaining staff. We attribute this success to our employee-focused company culture, in which we maintain an open-door policy for all staff.

Rick Engineering Company is a multi-disciplined planning, design and engineering company providing comprehensive services throughout the Southwest since 1955. We offer an excellent benefits package which includes over 3 weeks vacation the first year, 8 paid holidays, an alternative work week schedule, 401K, profit sharing, health, dental, vision, and flexible benefits program.

We offer competitive benefits; salary commensurate with experience and abilities. Rick Engineering is an equal opportunity employer, women, minorities, persons with disabilities and Veterans are encouraged to apply.

Qualifications

Qualified candidate will have BSCE (preferred) or similar degree. Applicant will have a minimum of four (4) years of commercial and land development design engineering experience. Preference may be given to candidate with Professional Civil Engineering Registration License.

Candidates for this position must demonstrate independent thought and decision making abilities, possess management and supervisory skills, and be adept in establishing and maintaining strong and positive working relationships with clients and public agency personnel as well as in-house professional peers.

Candidate's technical experience must include the following: preliminary engineering design studies (incorporating land use and zoning considerations, assessment and consideration of site constraints, and potential regulatory issues), preparation/processing of public improvement plans and development plans for commercial and residential developments, and the preparation and review of attendant hydrologic studies and drainage reports.

Position generally requires extensive experience and demonstrated engineering abilities in all aspects of land development projects and in interacting comfortably with internal and external clients.

To apply, email your resume to employment@rickengineering.com and include the Job Number in the email Subject Line. More positions available [online](#).
