

Project Superintendent

True North Builders, Inc. is now hiring Project Superintendent(s) for upcoming high-end custom homes and high-finish commercial projects. A positive attitude is a must!

Requirements for this position:

- The ideal candidate will have in-depth custom home and high-finish commercial construction experience
- 7+ years of experience managing subcontractors in a supervisory role
- Experience in project sizes up to \$15M
- Strong communication and computer skills
- Ability to develop and manage a project schedule
- High integrity
- Clean driving record
- Strong safety attitude. OSHA Certification - 10 hour or similar

About True North Builders:

- We are a small general contracting firm focused solely on the Phoenix market
- We offer a competitive salary and benefits package
- We build unique and challenging projects
- We create lasting relationships with our clients
- We hold each other to a high standard of excellence
- We laugh everyday and foster a fun work environment
