

SR. RESIDENT ENGINEER/CONSTRUCTION MANAGER FULL-TIME

RPA is a locally owned, full-service civil engineering, surveying, and construction management (CM) firm specializing in transportation, public works, and private development projects throughout the state. Our core services include: survey, predesign, design, post design, and alternative delivery methods. Since our inception in 1978, RPA has built an impeccable reputation of providing quality pre-design, design and CM services for traditional and alternative delivery projects with highly sought after registered professionals and skilled technicians.

Location:

5727 N 7th Street, Ste 120
Phoenix, AZ 85014

Description

RPA has an opportunity for a full-time Sr. Resident Engineer/Construction Manager to join our dynamic team. This position is housed out of our Phoenix office and offers full benefits (medical, dental, vision, 401k, Flexible-Time-Away (FTA)).

Responsibilities:

- Manage the daily operational aspects of all construction management, administration, and inspection (CM/CA+I) services
- Manage the interface between RPA and all clients for CM/CA+I services including Client first point-of-contact, resolution of client issues, engagement with

contractors, project management, and interface with client and contractors on any/all legal issues

- Help drive and sustain CM organization profitability
- Directly manage CM/CA+I staff including scheduling, discipline, performance improvement, and annual reviews
- Effectively maintain a fully staffed CM/CA+I organization
- Create and maintain an inspector training/certification process
- Maintain a data base to ensure certification renewals are seamless
- Train employees to improve skills
- Promote a culture of Job/Site Safety
- Establish/maintain an effective process for vehicle legal compliance and maintenance
- Perform constructability reviews
- Assist CM/CA+I business development activities including research and development of SOQ's and proposals
- Develop scope of work estimates for new contracts

Minimum Requirement:

Arizona PE license required
10+ years of Experience in CM/CA+I Consulting Business
