

Construction Manager / Resident Engineer – Phoenix, AZ

Dibble CM is a Phoenix-based construction management company that specializes in providing valued resources for federal, state and local public agencies throughout the State of Arizona. We are looking for an experienced and motivated Construction Manager to join our Leadership Team. **This is an excellent opportunity for an industry leader to advance your career into an executive position with a growing and dynamic company.**

The Dibble CM Team enjoys our industry-leading benefits program, the ability to balance work and home life, and a clear path for development and growth.

This individual has a proven track record in a leadership role providing successful delivery of major infrastructure improvement projects for Arizona public agencies. The ability to foster strong client relations is essential.

Competencies

- Possess a proven track record of ensuring quality standards are met, maintaining efficient operations, and achieving a high level of client satisfaction.
- Possess strong interpersonal, communication, analytical and problem-solving skills.
- Make sound, timely decisions for the benefit of the Client and Company.
- Strong technical writing skills, and ability to convey engineering decisions and concepts to non-technical and technically based audiences.
- Prioritize and meet multiple deadlines.
- Prepare technical specifications and bid documents
- Participate in strategic marketing pursuits and business development initiatives.
- Engagement in projects throughout the State.

Qualifications

- Bachelor's degree in Construction Management or Civil Engineering.
- Registered as a Professional Engineer (PE) in Arizona or be able to obtain an Arizona PE license within 6 months of employment.
- Minimum of 5 years' experience supervising field and office technicians on public works construction projects.

Benefits

- 100% premium-paid major medical, dental and vision coverage for employees and their families, life, short-term disability, long-term disability, a 401(k) plan with match and no waiting period, generous paid time off, 7 paid holidays, and tuition reimbursement programs including some that dependents are eligible for!
- Our people-focused culture is important, and we consider our employees to be our greatest asset. This culture is why we have so many long-term employees with our firm. Our employees enjoy an industry-leading benefits program, the ability to balance their home and work life, opportunities for growth and development, company activities, and various opportunities to give back through community service.

READY TO JOIN OUR TEAM?

If you feel that you would be right for this Construction Management position, please fill out our initial **3-minute, mobile-friendly application which you will find on our web site.**

We look forward to meeting you!
