

Estimator

Nesbitt Contracting Co., Inc. is looking for an estimator for civil construction projects, including Aviation work.

Candidate must be capable of:

- Completing quantity takeoffs
- Project schedules
- Estimating labor, equipment, and materials for street and road work.
- Interpret project documents to prepare clear, complete and competitive estimates, general conditions, and bid packages
- Provide information of project requirements and owner directives, and develop a plan to meet stated goals

Requirements:

- A minimum of 5 years' experience in the Arizona market
- Strong written and verbal communication skills
- The ability to effectively communicate with all team members including project managers, project superintendents, owners, agencies, and subcontractors.
- Should be a creative and innovative problem solver
- Knowledge of Heavy Bid and Heavy Job are a plus
- CMAR/JOC experience is also a plus
- A clean MVR and drug test are required

We offer:

- A competitive salary plus group health, vision, dental, life and 401K with match
- Paid holidays and vacation
- Company vehicle
- Great work environment

Nesbitt Contracting is a family-owned business and was founded in 1955. We specialize in street and airfield construction, and self-perform AC milling and paving, concrete construction, grading, pipeline installation, demolition and asphalt cold-in-place recycling.

Nesbitt Contracting Co. Inc is an Equal Opportunity Employer
