

- SEEKING A QUALIFIED -

LANDSCAPE DESIGNER (TUCSON)

COMPANY OVERVIEW: The Planning Center is a growing multi-disciplinary Planning and Landscape Architecture firm located in Downtown Tucson. We are a small and versatile business, as well as a woman owned enterprise. Our current projects include: parks/playgrounds/sports facilities, master planned communities, luxury apartment complexes, corporate headquarters, and commercial developments for both private and public clients.

LOCATION: Downtown Tucson, Arizona | 2 E Congress St, Ste 600 (Historic Chase Bank Building)

JOB DESCRIPTION: The Planning Center is seeking to add a Landscape Designer or registered Landscape Architect (0-6 years of experience) with a desire to work within a collaborative studio environment, and the capability to assist with Landscape Architecture and Site Design projects throughout Southern Arizona.

The ideal candidate must be flexible, with the desire and ability to work on all phases of a design project (from site planning and conceptual design through construction documentation). Designers require a sound technical understanding of design and construction within arid desert environments. Additional experience conducting Native Plant Inventories for the preparation of Native Plant Preservation Plans, Site Resource Inventories, and Environmental Resource Reports is preferable. Experience working in the Tucson metropolitan region with local knowledge of jurisdictional landscape requirements and regulations are preferable.

KEY ATTRIBUTES:

- Experience in site planning, landscape design, and visualization for a variety of project scopes and clients.
- Proficiency in AutoCAD, Photoshop, InDesign, and SketchUp.
- Strong graphic communication skills (from hand drawn sketches to marketing imagery)
- Technical design and document production on a range of project types and scopes (i.e. Planning Exhibits, Landscape Compliance Plans, Construction Drawings, Planting Plans, Irrigation Plans, Native Plant Mitigation Plans, etc.).
- Good interpersonal, organizational, time management, and communication skills.

- Creative, positive and passionate with the ability to think pro-actively, ask questions, learn, and grow in the profession.

EDUCATION:

- A Bachelor's or Master's Degree in Landscape Architecture from an accredited institution.

COMPENSATION: Commensurate with experience.

HOW TO APPLY: Qualified applicants please submit cover letter, resume and portfolio or work samples in PDF format to info@azplanningcenter.com for consideration.
